WORK EXPERIENCE

Pepper Content - Writing Analyst

01/2020–Present

Pepper is a mediation platform that connects talented writers to organizations that require content. It constantly processes and mediate the demand-and-supply chain for content based-services. It acts as a platform to get the best amongst a talent-pool of thousands of people without actually getting involved with them.

TalkItOut - Core Member & Content Writer

01/2019–Present

A Start-Up working towards helping people cope with stress and emotional drought, through online services and offline engagement.

Entrepreneurship Development Cell - Joint Secretary

09/2019–Present

Entrepreneurship Development Cell (EDC, TIET) was initiated in 2014 with a vision to promote entrepreneurship amongst the students of Thapar University and to build an exhaustive resource pool to aid potential student entrepreneurs.
